

# How you can help

You can help elect the Green Party in any or all of the following ways. Every little bit of help counts and makes a difference.

- Display a 'Vote Green' poster in your window during the election period. This can be one of the most effective things you can do. Sometimes people need confidence to see they are voting for a potential 'winner' – window posters can make a great impact.
- Help us to leaflet in our target wards. As the elections get nearer we will need more and more people to 'do their bit' to get the leaflets out. Even a few hours of your time can make a big difference.
- Help us with canvassing door to door in our target wards, to keep in contact with our voters and make sure we have a good picture of our support. This is easier than many people think, and we will give you plenty of support.
- Write letters to the local paper saying you are impressed with the Green record, how important Green Party policies are and that more Green councillors would be a very good thing.
- Help us on election day itself (Thurs. 3<sup>rd</sup> May) when we will need a lot of people to make sure we get the maximum vote out.

**If you can help with any of the above please contact York Green Party office on 01904 636239 or email [yorkoffice@greenparty.org.uk](mailto:yorkoffice@greenparty.org.uk)**

- Send us your money! We don't have any big business backers and we always need more money to fund high quality election materials. Please send donations to:- York Green Party, Basement, 22a Fishergate, York, YO10 4AB
